GREENGATE AHOY!

30 Greengate Gardens
Accentuate that breezy garden feeling with this light and airy new Greengate collection.

34 Greengate Milk
Amy Blue's - the hue to wake up to!

Ask us here at Greengate what one of our biggest sources of inspiration is, and we'll sing "*ICE CREAM!!!*" in unison.

And not just in Summer, and certainly not *any* ice cream. For Hansens is a family-run ice cream maker here in Denmark which has spanned four generations and blossoms happily, despite being such a little flower in a big field.

The reason why is easy to see – and taste. The Hansen family has a loyal fanbase like no other, because they adhere lovingly to their traditional recipes and methods, and *always* put quality before profit. Indeed, there are a few who have been fans for some ninety years now!

So it is no coincidence that we at Greengate are such admirers of the Hansens' way, especially now that we have our second generation of family and friends helping us to blossom too.

And, let's face it, it's not every day we get to take charge of an ice cream van in the name of *research* and *inspiration*!

FLØDEIS

Imagine it! It can't be just us who had the childhood dream of scooting around in their very own ice cream van, being able to serve up fresh cones to friends and delighted strangers alike?

And even now, the distant jingle-jangle tones of a van's siren wafting through the summer breeze is enough to send one all the way back to those endless days. A hopeful look at mom, who (yippee!) responds by proffering the magic coins, sending a clutch of ecstatic kids skippety-hopping down the road to fetch their treat.

And who says dreams can't come true? While we may now prefer a blueberry milkshake over a dripping cone drenched with red syrup, it's a thrill to don the Greengate aprons and see who drops by for a sip and a *smile*.

Wonderful K O N G E N S H A V E Copenhagen

A few centuries ago, it was only royalty who had the privilege of Copenhagen's famous King's Gardens. Nowadays the meticulously maintained baroque settings which stretch luxuriously in front of the fairytale Rosenborg Castle are open to all. In these surroundings it's easy to assume the role of a princess or lady-in-waiting, as one listens to the live ensemble, or watch the Queen's Guards marching by in all their pomp.

GREENGATE GARDENS

THERE ARE GARDENS SO LARGE THAT THE ACT OF GETTING FROM ONE END TO THE OTHER COULD QUITE ACCURATELY BE DESCRIBED AS A 'SAFARI'. ON THE OTHER END OF THE SCALE, A CITY APARTMENT'S LITTLE WINDOW BOX CONTAINING ONE-AND-A-HALF GERANIUMS, CAN WITH SOME PRIDE AND A HINT OF SELF IRONY BE CLASSED AS A 'GARDEN'. BUT WHATEVER END OF THE SCALE YOU MIGHT FIND YOURSELF ON, YOU CAN ACCENTUATE THAT BREEZY GARDEN FEELING WITH THIS LIGHT AND AIRY NEW GREENGATE COLLECTION.
